

QGIS Application - Feature request #3139
[Patch] Custom query for the spatialite provider

2010-10-20 04:18 AM - Giuseppe Sucameli

Status:	Closed	
Priority:	Low	
Assignee:	Sandro Furieri	
Category:	Data Provider	
Pull Request or Patch supplied:		Resolution: fixed
Easy fix?:	No	Copied to github as #: 13199
Description		
This patch enhances the spatialite provider capabilities allowing users to load a spatialite layer using a custom query (as the one previously developed for the postgres provider).		

History

- Resolution set to fixed
- Status changed from Open to Closed

I've applied the patch suggested by brushtyler
Committed in r.14435

#2 - 2010-12-18 09:57 PM - Luiz Motta

- Resolution deleted (fixed)
- Status changed from Closed to Feedback

When in select statement have only the pkuid's column, the attributes's table didn't showed the values of pkuid.
Obs: The identify is OK. The problem is the table of layer
Otherwise (have others columns) all attributes showed in table

Example with error(only pkuid):
sql = "select t.id as pkuid,t.the_geom as geometry from test t limit 10"
uri = [[QgsDataSourceURI]]()
uri.setDatabase('/home/lmotta/bd_gis/spatialite/gis.sqlite')
uri.setDataSource(_, '(%s)' % sql, 'geometry', _, 'pkuid')
qgis.utils.iface.addVectorLayer(uri.uri(), "Select", 'spatialite')

Example correct (more columns):
sql = "select t.id as pkuid, t.name, t.the_geom as geometry from test t limit 10"
...

#3 - 2010-12-19 06:29 AM - Giuseppe Sucameli

The one you talk about it's a bug.
Why did you re-open a closed patch ticket about a different problem?

Indeed the patch improved QGIS adding a missing feature.

You should open a proper ticket, a bug ticket.

#4 - 2010-12-19 07:13 PM - Giuseppe Sucameli

Replying to [comment:4 brushtyler]:

Replying to [comment:3 lmotta]:
When in select statement have only the pkuid's column, the attributes's table didn't showed the values of pkuid.
Why did you re-open a closed patch ticket about a different problem?
You should open a proper ticket, a bug ticket.

I close this ticket. See #3356, the ticket related to the bug you had reported.

#5 - 2010-12-20 04:41 PM - Luiz Motta

Sorry reopen this ticket and thanks, twice, explained how make ticket about bug in this feature and make the fix the ticket 3356
