Description

In the Windos version several items are missing:

- developers photos in the Help>Info>Developers dialog

- many GRASS man pages

History

#1 - 2006-10-12 10:10 AM - Martin Dobias

- Resolution set to duplicate

- Status changed from Open to Closed

Ticket #286 already contains some information about missing files. I've added the note about missing developers photos and I'm closing this ticket to have it on one place.
