Pull Request or Patch supplied:	No	**Resolution:**	
Easy fix?:	No	**Copied to github as #:** 13338	

Description

In Digitizing toolbar next to 'Merge selected features' would be useful to have a tool 'Explode selected features', so that a multipart feature can become siglepart.

there are two tool in the vector menu:

"split shapefile" but especially "multipart to singlepart"

#2 - 2010-12-01 02:56 AM - pinux -

Yes, I know, but you have to create a separate shapefile, you can't do it while you are editing.
