QGIS Application - Bug report #3308
Edit UI: either comboboxes and spinboxes don't show the feature's current value

2010-12-08 01:14 AM - Giuseppe Sucameli

Status:	Closed			
Priority:	Low

Crashes QGIS or corrupts data:			**Copied to github as #:**	13368

Description

Creating an editing UI form with a combobox, it is populated with all the field's values but it doesn't show the value of the selected feature. The same using a spinbox, but I think this is a general behavior. It works using [[LineEdit]] only.

#3 - 2011-04-17 04:24 AM - Giuseppe Sucameli

- Resolution set to invalid

- Status changed from Open to Closed

I close the ticket, it works.

I've just to set the type of widgets in Layer Properties -> Fields.
