

QGIS Application - Feature request #3324

Added offset X and Y to font marker

2010-12-12 06:18 AM - Nathan Woodrow

Status:	Closed	Resolution: fixed Copied to github as #: 13384
Priority:	Low	
Assignee:	Martin Dobias	
Category:	Symbolology	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
Patch to add offset X and Y ability to font markers. Handy for making lines that have stuff like "SW" [Stormwater] or "WW" [Waste Water] on them.		

History

#1 - 2010-12-12 07:22 AM - Martin Dobias

- Resolution set to fixed
- Status changed from Open to Closed

Patch applied in commit:fed9097b (SVN r14895). Thanks for contributing!
