

QGIS Application - Feature request #3354

Creating a new project with all layers from current project disabled doesn't show Save/Discard/Cancel message box.

2010-12-19 10:23 AM - JD -

<b>Status:</b>	Closed	
<b>Priority:</b>	Low	
<b>Assignee:</b>	nobody -	
<b>Category:</b>	Project Loading/Saving	
<b>Pull Request or Patch supplied:</b>		<b>Resolution:</b> fixed
<b>Easy fix?:</b>	No	<b>Copied to github as #:</b> 13414
<b>Description</b>  Steps to reproduce: 1) Create a new project 2) Add a vector or raster file to the TOC 3) Disable all layers in the TOC 4) Select "New Project"  Result: A new project is created without asking the user if the want to save the previous one, and losing any changes.

Fix:

On line 5623 of app/qgisapp.cpp, replace:

```
if ( askThem && ( [[QgsProject]]::instance()->isDirty() || mMapCanvas->isDirty() ) && mMapCanvas->layerCount() > 0 )
```

with

```
if ( askThem && ( [[QgsProject]]::instance()->isDirty() || mMapCanvas->isDirty() ) && [[QgsMapLayerRegistry]]::instance()->count() > 0 )
```

#2 - 2011-03-09 05:19 AM - Borys Jurgiel

- Resolution set to fixed
- Status changed from Open to Closed

Applied in commit:ff3cc637 (SVN r15402). Thanks a lot!
