| <p>We have nice tips on startup but it is a bit inconvenient that user can't read all tips at once and then disable them.</p> <p>This patch adds two buttons that allow navigate throught tips in forward and reverse direction.</p> |          |                                     |
