QGIS Application - Bug report #3519
Save buttons in raster properties dialog are not working

2011-02-23 12:16 PM - Maxim Dubinin

Status:	Closed		
Priority:	Low		
Assignee:	Alexander Bruy		
Category:	GUI		
Affected QGIS version:		**Regression?:**	No
Operating System:	Windows	**Easy fix?:**	No
Pull Request or Patch supplied:		**Resolution:**	fixed
Crashes QGIS or corrupts data:		**Copied to github as #:**	13579

Description

Tried band combination and standard deviation.

Both aren't saved after raster is removed and loaded again.

1. Add raster

2. Set band combination and std.deviation, press save on both.

3. note changes, remove the raster

4. load raster again - band comb and std. dev are expected to load automatically, but they do not.
