QGIS Application - Feature request #3557
Rearranging fill style menu

2011-03-06 01:26 PM - andskog -

Status:	Closed			
Priority:	Low			
Assignee:	Tim Sutton			
Category:	Symbology			
Pull Request or Patch supplied:			**Resolution:**	fixed
Easy fix?:	No		**Copied to github as #:**	13617

Description

I'm guessing the most used polygon fill styles used, are the Solid and No brush styles. Rather than having to scroll down for the No brush option in the layers symbology properties, perhaps relocating it up to the Solid option would be an improvement?

I've added a patch that does this. Others can weigh in on the value of this, but I think it is a good idea.

#2 - 2011-03-06 11:14 PM - Tim Sutton

- *Status changed from Open to In Progress*
