

## QGIS Application - Feature request #3671

### Auto-actualize "Show selected only"

2011-03-23 02:24 AM - Jean-Roc Morreale

<b>Status:</b> Closed	
<b>Priority:</b> Low	
<b>Assignee:</b> nobody -	
<b>Category:</b> GUI	
<b>Pull Request or Patch supplied:</b>	<b>Resolution:</b> fixed
<b>Easy fix?:</b> No	<b>Copied to github as #:</b> 13730
<b>Description</b>	
<p>When the checkbox "Show selected only" is activated in the attribute table, doing a new research will not result in the update of the rows displayed, the user have to uncheck and then check back to limit the display to the actual selection.</p> <p>The selection should be automatically updated, always showing the selected rows of the latest search.</p>
