

QGIS Redmine (QGIS bug tracker) - Feature request #3953

Create useful Ticket filters

2011-06-05 01:56 PM - Pirmin Kalberer

Status:	Closed	
Priority:	Normal	
Assignee:	Pirmin Kalberer	
Category:		
Pull Request or Patch supplied:		
Description		
Ask list which trac filters are used now		

History

#1 - 2011-06-05 02:10 PM - Pirmin Kalberer

- Subject changed from Replace SVN commit ids with git hashes to Create useful Ticket filters

#2 - 2011-06-12 01:33 PM - Pirmin Kalberer

- Status changed from Open to Closed

Feedback:

Ok, I just start using "Active tickets by component", "Active tickets by milestone" and often do a custom "Active tickets by <being\_worked\_on\_release>".
