<b>Priority:</b>	Normal	
<b>Assignee:</b>	Pirmin Kalberer	
<b>Category:</b>		
<b>Pull Request or Patch supplied:</b>		
<b>Description</b>		
Ask list which trac filters are used now		

### History

---

#### #1 - 2011-06-05 02:10 PM - Pirmin Kalberer

- Subject changed from *Replace SVN commit ids with git hashes* to *Create useful Ticket filters*

#### #2 - 2011-06-12 01:33 PM - Pirmin Kalberer

- Status changed from *Open* to *Closed*

Feedback:

Ok, I just start using "Active tickets by component", "Active tickets by milestone" and often do a custom "Active tickets by <being\_worked\_on\_release>".
