Pull Request or Patch supplied:	No	**Resolution:**	duplicate
Easy fix?:	No	**Copied to github as #:**	14043

Description

It seems the composer attribute table already has multicolumn sort support. Was done in commit:f13d3f35a3000355d769966d8af242569814960d

Would be good for it to also be ported to the normal attribute table.
