

QGIS Application - Feature request #4070

copy and paste in map composer

Status: Closed	
Priority: Normal	
Assignee: Marco Hugentobler	
Category:	
Pull Request or Patch supplied: No	Resolution: fixed
Easy fix?: No	Copied to github as #: 14053
Description	
It would be helpful to copy and paste e.g. labels in map composer. Or to have properties like Font, FontSize to be kept the same for new objects, as setting these each time is a painful mess.
