

QGIS Plugin Site - Bug report #4445

search for 'xytoo' does not reveal XyTools plugin, but 'tool' does

2011-10-26 12:57 AM - Richard Duivenvoorde

| Description | | |
| trying to upgrade the XyTools plugin I searched with xy first on the frontpage, but could not find something | | |
| I see that even 'xytoo' does not find it. But only 'xytool'. | | |
| First I thought that you had to have at least 6 chars, but the strange thing is that searching for 'tool' gives xytools into the result... | | |
