

QGIS Plugin Site - Bug report #4644

Plugin version list should be in descending order

2011-12-13 11:39 PM - Tim Sutton

Status:	Closed	
Priority:	Normal	
Assignee:	Alessandro Pasotti	
Category:		
Pull Request or Patch supplied:	Supplied:	
Description		
<p>On plugin page e.g. <a href="http://plugins.qgis.org/plugins/VectorTransparency/">http://plugins.qgis.org/plugins/VectorTransparency/</a> won't it make more sense to list plugins in descending version order so you see the most recent plugin at the top of the list?</p> <p>Regards</p> <p>Tim</p>
