

QGIS Application - Feature request #4649

Drop file to Layers not possible when panel is floating

2011-12-14 09:22 AM - andskog -

Status:	Open	Resolution: Copied to github as #: 14547
Priority:	Normal	
Assignee:		
Category:	GUI	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
When, as by default, the Layers panel is docked in QGIS, I can drag and drop GIS files on it. However, if I undock the panel, this feature doesn't work. Is this a bug? (Using 1.7.2)
