

## QGIS Plugin Site - Feature request #4671

### Text fields too narrow

2011-12-18 08:34 AM - Gary Sherman

|                                                                                                            |        |  |
|------------------------------------------------------------------------------------------------------------|--------|--|
| <b>Status:</b>                                                                                             | Closed |  |
| <b>Priority:</b>                                                                                           | Normal |  |
| <b>Assignee:</b>                                                                                           |        |  |
| <b>Category:</b>                                                                                           |        |  |
| <b>Pull Request or Patch supplied:</b>                                                                     | No     |  |
| <b>Description</b>                                                                                         |        |  |
| The text fields for entering the homepage, tracker, and repository on the plugin Edit page are too narrow. |        |  |
