

QGIS Application - Feature request #4974

Save list of GRASS commands in a history file

2012-02-09 03:15 AM - Paolo Cavallini

Status:	Open	Resolution: Copied to github as #: 14762
Priority:	Normal	
Assignee:		
Category:	GRASS	
Pull Request or Patch supplied:	Yes	
Easy fix?:	No	
Description		
It would be very useful if all the GRASS commands would be echoed not only on the output tab, but also added to a text file, so users could check the entire history of a mapset. Should be very easy to implement (echo >> history.txt).		

History

- #1 - 2012-09-04 12:08 PM - Paolo Cavallini
- Target version set to Version 2.0.0
- #2 - 2014-06-28 07:41 AM - Jürgen Fischer
