Now Raster Terrain Analysis plugin includes 5 tools. Should we add all this tools as separate icons or maybe it is better to create dropdown button like for selection tool? Also note that all this tools currently without icons, only general icon is available

#2 - 2012-04-26 05:02 AM - Giovanni Manghi

- Status changed from Open to Feedback

#3 - 2012-04-26 06:56 AM - Paolo Cavallini

A dropdown seems ok to me.

#4 - 2012-06-16 07:21 AM - Jürgen Fischer

- Resolution set to fixed

- Status changed from Feedback to Closed
