Is there an EPSG code for this projection?

#3 - 2007-02-25 07:45 PM - Tim Sutton

Moved to milestone 0.8.2 since we wont be fixing any further issues before the 0.8.1 release and we need more info - EPSG code.

#4 - 2007-03-01 03:41 PM - anonymous -

EPSG code for yk-albers is forthcoming in next EPSG release, expected this spring.

- Status changed from Open to Closed

- Resolution set to fixed

After recent srs.db synchronisation with GDAL 1.5.2 ESPG support files, the requested CRS is available in QGIS SVN trunk and will be included in 0.11 release. It's EPSG code is 3578.
