Category:				
Affected QGIS version:	master	**Regression?:**	No	
Operating System:		**Easy fix?:**	No	
Pull Request or Patch supplied:	No	**Resolution:**		
Crashes QGIS or corrupts data:	No	**Copied to github as #:**	15069	

Description

The SQL Server native QGIS driver recently added to the master is missing query builder capability on import. Also once a table is imported the Query Builder functionality is disabled in the Properties/General menu for the layer.
