

QGIS Application - Feature request #6114

Use standard labelling dialog for label attributes in "point displacement" renderer

2012-07-28 08:17 AM - Giovanni Manghi

Status:	Open	Resolution: Copied to github as #: 15454
Priority:	Normal	
Assignee:		
Category:	Labelling	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
subject says it all. Actually the options for labels in this specific renderer are limited to font size, type and colour.

History

#1 - 2012-08-06 05:42 PM - Alister Hood

- Category changed from Symbolology to Labelling

Note that while the "old labelling" tab on the layer properties does nothing when using "point displacement", the "new labelling" does display labels, but they are positioned relative to the feature location, not relative to the displaced location of the symbol.

#2 - 2012-10-06 02:20 AM - Pirmin Kalberer

- Target version changed from Version 2.0.0 to Future Release - Nice to have

#3 - 2017-05-01 12:48 AM - Giovanni Manghi

- Easy fix? set to No
