

## QGIS Application - Bug report #6518

### Add to the "digitizing" toolbar the right button to add records to geometryless tables

2012-10-14 09:51 AM - Giovanni Manghi

<b>Status:</b> Closed

#### Description

Right now the right button to add records to geometryless tables (an icon with a "+" symbol) shows only in the attributes table toolbar.

Moreover in the digitizing toolbar a few icons become active when toggling editing a geometryless table, but this does not make any sense as are all tools that are used to add/move/delete/etc geometries.

#### History

##### #1 - 2014-06-12 03:14 PM - Giovanni Manghi

- Resolution set to fixed/implemented
- Status changed from Open to Closed

the button is there since a long now.
