<b>Pull Request or Patch supplied:</b>	<b>Resolution:</b> duplicate
<b>Easy fix?:</b> No	<b>Copied to github as #:</b> 15763
<b>Description</b>	
<p>The fuction gdal2xyz is very useful in case the user requires to convert a DEM in xyz text file. At the moment is possible to do this using the terminal, but I thought it would be useful to offer this function with a GUI.</p>
