

QGIS Application - Feature request #6650

Layers window, horizontal scrollbar

2012-11-07 08:03 AM - andskog -

Status:	Open	Resolution: Copied to github as #: 15829
Priority:	Normal	
Assignee:		
Category:	GUI	
Pull Request or Patch supplied:	Yes	
Easy fix?:	No	
Description		
I think it would be nice to see a horizontal scrollbar in the layers window. Thanks.
