

QGIS Application - Feature request #6768

Diagrams: connect Expression builder to attributes and size fields

2012-11-27 05:34 AM - Regis Haubourg

Status:	Closed	Resolution: duplicate Copied to github as #: 15921
Priority:	Normal	
Assignee:		
Category:	Symbology	
Pull Request or Patch supplied:		
Easy fix?:	No	
Description		
it would be nice to have the possibility to use expression builder in size field and attribute fields of diagram tab.
