Description

Not sure if this is a new problem, but I'm trying to compile master and I'm getting a compile error related to the grass plugin:
http://pastebin.com/raw.php?i=bw8bYzhR

Btw, I see no reference to G__init_null_patterns in the grass source tree.

G__init_null_patterns was probably removed in GRASS 6.5. I'll have to find out if there is an equivalent.
