

# QGIS Application - Feature request #6910

## Add a multiband grey option to raster renderer

2012-12-21 03:33 AM - Regis Haubourg

<b>Status:</b> Closed	
<b>Priority:</b> Normal	
<b>Assignee:</b> Radim Blazek	
<b>Category:</b> Symbology	
<b>Pull Request or Patch supplied:</b>	<b>Resolution:</b> fixed/implemented
<b>Easy fix?:</b> No	<b>Copied to github as #:</b> 16033
<b>Description</b>	
<p>Hi all,</p> <p>subject has been discussed here [<a href="http://osgeo-org.1560.n6.nabble.com/Multiband-grey-in-master-td5023753.html">http://osgeo-org.1560.n6.nabble.com/Multiband-grey-in-master-td5023753.html</a>].</p> <p>There is actually no way to switch to grey level using RGB bands, only single band is possible.</p> <p>Adding a flag option to multiband color renderer would be fine.</p>
