QGIS Application - Bug report #703
right mouse button digitizes points and centroids

2007-04-10 10:12 AM - Maciej Sieczka -

Status:	Closed			
Priority:	Low			
Assignee:	nobody -			
Category:	GRASS			
Affected QGIS version:		**Regression?:**	No	
Operating System:	All	**Easy fix?:**	No	
Pull Request or Patch supplied:		**Resolution:**	duplicate	
Crashes QGIS or corrupts data:		**Copied to github as #:**	10762	

Description

QGIS 0.81 SVN 6878

When the "New point" or "New centroid" tool is used, a right-click acts same as a left-click (digitises a new feature). The right mouse button should de-selects the active tool.

Also, when the GRASS Edit starts, no tool should be active - currently "New point" is always active at a start.
