Description

See attached image. It does not have a tooltip, so I cannot say what is the function of that button.

History

#1 - 2013-03-13 04:33 AM - Alexander Bruy

This button used to sort colormap classes in ascending order. As I can see in UI file this button has icon "view-sort-ascending.png" but there is no such file in QGIS sources.

Tooltip added in commit:105bfddf42.

In current master there is an icon, but it is rendered smaller than others. Fixed in 9a8ad74e
