yes

happens when layer selected from layer comboboxes or when clicking existing rules?

when the layer is selected from the combobox, when trying define a new rule.

thanks!

I experienced on win7 64bit too. Starrting with a new proj, adding a poly shp layer, QGIS crashes when selecting a layer in topology checker win.

**#5 - 2013-03-31 09:37 AM - vinayan Parameswaran**

ok..i can replicate it here
