On Qgis 1.9 master (4f6c2d2) fields of edit feature form remains inactive also when editing mode is toggle on (tested with the autogenerate mode)	

History

#1 - 2013-04-03 11:40 AM - Jürgen Fischer

- Resolution set to wontfix
- Status changed from Open to Closed

That's the intended behaviour. Open a new form - btw that form will be modal.

#2 - 2013-04-04 02:03 AM - Luca Lanteri

I think that there's a misunderstanding. I think this is not the intended behaviour because it happened only with some postgis layer. I'm trying to understand where is the problem.
