QGIS Application - Bug report #7506
if Save as fails, information toolbars displays a message "saving done"

2013-04-04 05:24 AM - Regis Haubourg

Status:	Closed			
Priority:	Normal			
Assignee:				
Category:	Vectors			
Affected QGIS version:	master	**Regression?:**	No	
Operating System:		**Easy fix?:**	No	
Pull Request or Patch supplied:		**Resolution:**	worksforme	
Crashes QGIS or corrupts data:	No	**Copied to github as #:**	16456	

Description

See attached images. If export fails, a error message is raised, and then a blue info toolbar shows saying export was done.
That is inconsistent

What would be the steps to reproduce this bug?

I look at the source code and it seems bugless.

I'll grateful if you provide the steps to reproduce this bug.

Thanks in advance.

#2 - 2013-07-17 07:57 AM - Giovanni Manghi

- Status changed from Open to Feedback

- Category set to Vectors

#3 - 2013-07-23 03:02 AM - Regis Haubourg

- Target version set to Future Release - Nice to have

Sorry I didn't keep the files generating the error. My concern was that the error message was handled so that a error achieved to a blue message bar with saying all went ok. Not really urgent though. I'll see if it happens again.

#4 - 2014-10-11 06:39 AM - Giovanni Manghi

- Resolution set to worksforme

- Status changed from Feedback to Closed

seems do not happen anymore, at least on qgis master.
