QGIS Application - Feature request #78
Add icons to digitising toolbar to start/stop editing of current layer

2006-04-13 04:15 PM - Tim Sutton

Status:	Closed		
Priority:	Low		
Assignee:	Marco Hugentobler		
Category:	Digitising		
Pull Request or Patch supplied:		**Resolution:**	fixed
Easy fix?:	No	**Copied to github as #:**	10137

Description

Digitising is enabled by default now which is nice but to stop digitizing you still need to expand file groups etc. It would be nice to put start/stop editing icons on digitising toolbar for easy access.

- Resolution set to fixed

- Status changed from Open to Closed

Added. I'm usually not very good in designing icons so feel free to exchange them.
