

QGIS Application - Feature request #7814

QgsExpression: LIKE operator should respect escaped _ and %

2013-05-13 01:09 AM - Matthias Kuhn

Status: Closed	
Priority: Normal	
Assignee:	
Category: Unknown	
Pull Request or Patch supplied:	Resolution: fixed/implemented
Easy fix?: No	Copied to github as #: 16702
Description	
<p>QgsExpression LIKE / ILIKE / NOT LIKE / NOT ILIKE operators do currently not allow to escape _ and % operators.</p> <p>Default escape string should be a backslash \ or customizable with an ESCAPE statement appended to the LIKE (et al) operator specifying an escape character.</p> <p>E.g.</p> <p>LIKE "45!%" ESCAPE "!" should match "45%" but not "45% or more"</p>
