QGIS Application - Feature request #7814
QgsExpression: LIKE operator should respect escaped _ and %

2013-05-13 01:09 AM - Matthias Kuhn

Status:	Closed			
Priority:	Normal			
Assignee:				
Category:	Unknown			
Pull Request or Patch supplied:	No		**Resolution:**	fixed/implemented
Easy fix?:	No		**Copied to github as #:**	16702

Description

QgsExpression LIKE / ILIKE / NOT LIKE / NOT ILIKE operators do currently not allow to escape _ and % operators.

Default escape string should be a backslash \\ or customizable with an ESCAPE statement appended to the LIKE (et al) operator specifying an escape character.

E.g.

LIKE "45!%" ESCAPE "!"
should match
"45%" but not "45% or more"
