

QGIS Application - Bug report #7925

WMS Layers: opacity value not restored when loading project

2013-05-28 07:22 AM - Andreas Neumann

Status: Closed	
Priority: Severe/Regression	
Assignee: Jürgen Fischer	
Category: Rasters	
Affected QGIS version: master	Regression?: No
Operating System:	Easy fix?: No
Pull Request or Patch supplied:	Resolution:
Crashes QGIS or corrupts data:	Copied to github as #: 16796

Description

When adding a WMS layer to a project and setting the opacity value and saving the project, the opacity value seems to be saved in the project file.

However, when opening the project again, the opacity value is not correctly restored.
