Description	
<p>Seems tests still not switched to SIP API v2, see http://dash.orfeo-toolbox.org/testDetails.php?test=17042104&#38;build=123717 and http://dash.orfeo-toolbox.org/testDetails.php?test=18029165&#38;build=123716. Maybe this is the reason why accessing fields by name doesn't work in tests.</p>
