

## QGIS Application - Feature request #8315

### Save batch commands

2013-07-17 02:22 AM - Paolo Cavallini

<b>Status:</b> Closed	
<b>Priority:</b> Normal	
<b>Assignee:</b> Victor Olaya	
<b>Category:</b> Processing/Modeller	
<b>Pull Request or Patch Supplied:</b>	<b>Resolution:</b>
<b>Easy fix?:</b> No	<b>Copied to github as #:</b> 17108
<b>Description</b>	
It would be good to save batches as a command to be reused	

### History

**#1 - 2014-10-04 12:16 PM - Giovanni Manghi**

- Project changed from 78 to QGIS Application
- Category deleted (64)

**#2 - 2014-10-04 12:17 PM - Giovanni Manghi**

- Category set to Processing/Modeller

**#3 - 2016-02-20 02:15 AM - Paolo Cavallini**

Now a Python script can be saved. Probably this ticket can be closed.

**#4 - 2016-02-20 02:15 AM - Paolo Cavallini**

- Status changed from Open to Feedback

**#5 - 2016-02-20 02:20 AM - Victor Olaya**

This was implemented a few weeks ago. Batch configurations can be saved and later loaded

**#6 - 2016-02-20 02:25 AM - Paolo Cavallini**

- Status changed from Feedback to Closed
