#### Description

Seems Simplify feature can't work for polygons with holes, error message is "This feature cannot be simplified. Check if feature has enough vertices to be simplified.". At least error message should be changed.

Test datasets can be found in #4189:

#### History

#1 - 2015-06-14 08:45 AM - Giovanni Manghi

- Resolution set to fixed/implemented
- Status changed from Open to Closed

not an issue anymore.
