Hi, I've experienced the same error on ArchLinux... The attached patch should work for the sip 4.15.1, however due to problems with updated pyqt4 packages, I had to build the latest development snapshot of pyqt (http://www.riverbankcomputing.com/software/pyqt/download) to make qgis-master compile

#2 - 2013-09-24 01:40 PM - Jürgen Fischer

- Resolution set to fixed

- Status changed from Open to Closed

applied in commit:2301c914 and commit:6f9795b0b
