| <b>Pull Request or Patch supplied:</b>   | No     | <b>Resolution:</b> fixed/implemented |
| <b>Crashes QGIS or corrupts data:</b>  | No     | <b>Copied to github as #:</b> 17531  |
| <b>Description</b>   |        |                                      |
| <p>The text for "n%" complete when scanning Oracle database tables is behind the progress bar. So when the bar is &gt; 50% or so, the text is occluded.</p> <p>See attached.</p> <p>Also, the bar is pretty much invisible having no contrast with the background (why I've only noticed it now). It should ideally be a nice bright colour.</p> |        |                                      |

History

#1 - 2013-12-17 04:00 AM - Jonathan Moules

This seems to have been solved in Master. Someone want to confirm and close?

#2 - 2014-03-24 07:25 AM - Alexander Bruy

- Resolution set to fixed/implemented
- Status changed from Open to Closed

Closed, reopen if necessary
