

QGIS Application - Feature request #889

Add number of selected features in attribute table dialog

Pull Request or Patch supplied:	Resolution: fixed
Easy fix?: No	Copied to github as #: 10948
Description	
It would be very useful to have a box in attribute table dialog informing about the number of total/selected features in the layer. It would also be nice having a button to toggle the display of all/selected features in that dialog.

- Status changed from Open to In Progress

The former should be simple to add and useful to have. The second will require more time / changes.

#2 - 2009-08-08 12:38 PM - Giovanni Manghi

The second have been added ("show selected records only" checkbox).

#3 - 2010-03-20 05:25 AM - Giovanni Manghi

The record count has been added in #13074.

#4 - 2010-09-14 01:50 PM - luca76 -

I've attached a patch that fixes this bug. Hope it's okay.

NOTE: there's a string inside to be translated in other languages.
