

QGIS Application - Bug report #8900

"Save vector layer as" - checkboxes in panel

2013-10-17 09:17 AM - Jonathan Moules

Status:	Closed	
Priority:	Normal	
Assignee:		
Category:	GUI	
Affected QGIS version:	2.0.1	Regression?: No
Operating System:		Easy fix?: No
Pull Request or Patch supplied:	No	Resolution: fixed/implemented
Crashes QGIS or corrupts data:	No	Copied to github as #: 17578
Description		
<p>The "Skip attribute creation" and "Add saved file to map" checkboxes are both in the same "panel" as the "OGR Creation options", but neither appear to be actually related to the OGR stuff. So they shouldn't be in the panel but visually distinct from the OGR options.</p>
