QGIS Application - Bug report #8902
DB connection credentials on tooltips

2013-10-17 10:50 PM - Paolo Cavallini

Status:	Closed			
Priority:	Normal			
Assignee:				
Category:	GUI			
Affected QGIS version:	2.0.1		**Regression?:**	No
Operating System:			**Easy fix?:**	No
Pull Request or Patch supplied:			**Resolution:**	fixed/implemented
Crashes QGIS or corrupts data:			**Copied to github as #:**	17580

Description

Showing DB credentials on the tooltip on mouse over the legend seems an useless
security flaw (e.g. these can accidentally be shown during a demo, etc.).
Better hiding them, leaving other connections parameters visible for debugging.

History

#1 - 2013-10-18 02:44 AM - Jürgen Fischer

- Status changed from Open to Feedback

Do you have an example? The password should not appear in the tooltip.

#2 - 2013-10-18 03:17 AM - Giovanni Manghi

- File 46.png added

In fact on master does not seems to happen anymore. See attached image.

#3 - 2013-10-18 03:19 AM - Paolo Cavallini

- Resolution set to fixed/implemented

- Status changed from Feedback to Closed

Right, sorry for the noise.
