<b>Description</b>	
<p>since we have the DPI-mode selection option for WMS connections there is also the caption/title of that dropdown visible in the WFS dialog (uses the same gui).</p> <p>See screen shot.</p> <p>Looks like it should be invisible by default and made visible only in WMS connection dialog.</p>	

#### Associated revisions

Revision b6f75254 - 2013-11-07 12:04 AM - Jürgen Fischer

only show dpi mode label in connection dialog for wms (fixes #9021)
