Description			
<p>When issue autoclosed on commit (commit message contains fix #issue_number) a comment with commit reference added. This comment used wrong syntax</p> <p>Fixed in changeset commit:"e6081fa9e1474a64c325fbd17516ba71c302f2ef".</p> <p>instead of (no double quotes)</p> <p>Fixed in changeset commit:e6081fa9e1474a64c325fbd17516ba71c302f2ef.</p> <p>Previously this worked fine</p>
