

## QGIS Application - Bug report #9939

### QGIS 2.2 on Fedora 20 i686 locks up when trying to add vector data.

2014-03-28 08:42 PM - Timothy Rogers

<b>Status:</b> Closed	
<b>Priority:</b> Normal	
<b>Assignee:</b>	
<b>Category:</b> Vectors	
<b>Affected QGIS version:</b> 2.2.0	<b>Regression?:</b> No
<b>Operating System:</b> Fedora Linux	<b>Easy fix?:</b> No
<b>Pull Request or Patch Applied:</b> No	<b>Resolution:</b>
<b>Crashes QGIS or corrupts data:</b> Yes	<b>Copied to github as #:</b> 18443
<b>Description</b>	
When adding vector data (shapefiles) to a map, QGIS locks up, and I have to kill the task. If I use the browser window and drag the data in, it locks up. If I click the add vector data button, the pop-up window appears. If I click the browse button there, it locks up.	

#### History

##### #1 - 2014-03-31 04:37 AM - Matthias Kuhn

- Status changed from Open to Feedback

Can you create a dump.

E.g. install the qgis-debuginfo package, start qgis from a terminal, make it freeze, then press Ctrl+\ in the terminal and paste the output you receive somewhere.

##### #2 - 2014-04-02 04:15 PM - Timothy Rogers

### #3 - 2014-04-03 02:14 AM - Matthias Kuhn

Just guessing:

Is it possible that the file chooser dialog is trying to connect to a mysql database which is unreachable and waits for a timeout?

### #4 - 2014-04-04 05:26 PM - Timothy Rogers

Not unless that is some sort of default... This is a clean install on a new machine with a new user profile.

"File" is definitely selected as the "Source Type".

### #5 - 2014-06-11 09:17 AM - Jürgen Fischer

- Priority changed from Severe/Regression to Normal

Timothy Rogers wrote:

*Not unless that is some sort of default... This is a clean install on a new machine with a new user profile.*

*"File" is definitely selected as the "Source Type".*

Apparently the file chooser uses GTK/Gnome on your machine and that somehow needs to load mysql for some reason (maybe some plugin in GTK/Gnome). But that's not related to QGIS.

### #6 - 2014-06-24 05:08 AM - Paolo Cavallini

- Category set to Vectors

**#7 - 2014-07-28 11:52 AM - Matthias Kuhn**

*- Status changed from Feedback to Closed*

Seems to be an isolated issue, not related to QGIS.

Please open an issue for gnome if this error still occurs.
